

Personal Laminator

Cosmic (A4)

Cosmic (A3)

COSMIC A3

The Fellowes® COSMIC Personal Laminator

- The first laminator designed for use at home and for hobby & craft
- Award winning*, user-friendly design offers numerous laminating possibilities with minimal adjustment
- Dual temperature setting for laminating cold pouches and **75-100 micron** hot pouches
- Designed for A4/A3 size applications up to 220mm/330mm wide
- Heats up in just 6 minutes and completes an A4 size lamination in less than 1 minute
- HeatGuard™ Technology - safe and comfortable to touch
- Advanced temperature control for consistent lamination quality
- Release mechanism for jam-clearing
- Acoustic and visual indicators clearly signal when the laminator is ready to use
- Front flap serves as document guide and dust cover
- Unique horizontal storage capability
- Stand-up feet with cable management system
- Carry handle and compact size for easy portability

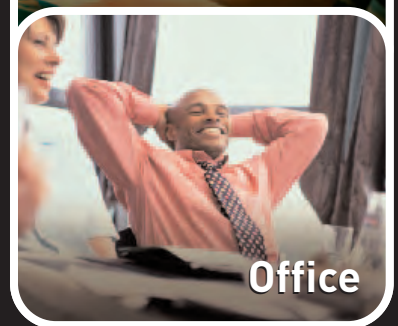

* Award: "Appliance Design" Magazine (US), Category: Portable and small appliances, Silver award, June 2006
